

MEETING	DATE	TIME	LOCATION
---------	------	------	----------

Town Board	Tuesday, May 3, 2016	Follows Sanitary District Meeting	Grand Chute Town Hall Board Room 1900 Grand Chute Blvd
------------	----------------------	-----------------------------------	---

A. CALL TO ORDER/ROLL CALL

B. PLEDGE OF ALLEGIANCE

C. APPROVAL OF AGENDA/ORDER OF THE DAY

D. PUBLIC INPUT

Members of the public are welcome to address the Commission and Town Board. Individuals wishing to speak on an item (whether on the agenda or not) must sign in prior to the start of the meeting and may speak during the Public Input segment of the meeting. This segment is placed early in the agenda so that the public may make their comments prior to any discussion or action by the Commission or Town Board. Individual comments are limited to no more than three minutes each. The Public Input section is limited to a total of 15 minutes. The Commission/Town Board may suspend this rule if deemed necessary. Once the public input segment ends there will be no additional discussion from the audience. Note regarding non-agendized Town related matters: Pursuant to WI Statutes 19.83(2) and 19.84(2), the public may present matters; however, they cannot be discussed or acted upon until specific notice of the subject matter of the proposed action can be given

E. CONSENT AGENDA

(Items on the Consent Agenda are routine in nature and require one motion to approve all items listed. Prior to voting on the Consent Agenda, items on the Consent Agenda may be removed at the request of any Supervisor and addressed immediately following the motion to approve the other items on the Consent Agenda.)

April 12, 2016

Nicole Langlois
358 Oak Street
Menasha, WI 54952

Ms. Langlois,

I have recommended your application for an Operator's License be *denied* due to your history of civil and/or criminal arrests/convictions. This recommendation will be considered by the Licensing Committee on April 21, 2016, where they will discuss the details surrounding the denial recommendation.

It is the policy of the Licensing Committee to offer applicants an opportunity to contest the recommendation. Therefore, you are invited (but not required) to appear before the Licensing Committee at their next meeting on **Thursday, April 21, 2016, at 1:30 P.M.** at the Grand Chute Town Hall, 1900 W. Grand Chute Blvd, Grand Chute, Wisconsin. I would like to point out, however, that felony convictions for offenses significantly related to the licensing activity, such as felony drug convictions, are not negotiable. State statutes require denial of such applications.

Sincerely,

Colette Jaeger
Technical Operations Division Commander

CC: Chairman Schowalter
Town Administrator Jim March
Licensing Committee

Karen Weinschrott - Operator License applications 04-04-16 and 04-11-16

From: Colette Jaeger
To: Licensing Committee
Date: 4/12/2016 3:45 PM
Subject: Operator License applications 04-04-16 and 04-11-16
Attachments: 04-21-16 Nicole Langlois.pdf

I have reviewed all the applications for the above operator license lists.

I recommend denial of Nicole Langlois, on the 04-04-16 list (Felony drug conviction - 2014). Invitation to LC on 4/21/16 is attached.

I recommend approval of the other 14. Thanks.

TOPIC: Final Resolutions TBR-08-2016 and SD12-04-2016 .

Agenda Section: Unfinished Business	Meeting: Town Board and Sanitary Commission
Department Reporting: Public Works	Submitted By: Thomas J. Marquardt <i>TJM</i> Director of Public Works

ISSUE: Summary of adjustments made to the schedule of special assessments per Town Board and Sanitary Commission direction on April 21, 2016.

BACKGROUND/ANALYSIS:

The standard frontage special assessment were presented with the final resolutions. The only changes from the schedule that was presented at the Public Hearing was the adjustment of the frontages for Parcels 102114501 and 101078800.

Parcel 102114501 (Town of Grand Chute) – The Street Assessment frontage was adjusted from 10 feet to 75 feet based on the policy requiring a minimum 75-foot frontage.

Parcel 101078800 (Bergstrom Properties Inc.) – When the original schedule of assessments was created the project ended at a point that gave this property 68 feet of frontage. When the project was bid, the ending point of the project was extended 75 feet, giving this property a 143-foot frontage.

The Supervisors had reviewed the assessment schedule and recommended the changes that are summarized in the Recommendations.

RECOMMENDATION:

Staff has made the following changes to the Schedule of Special Assessments spreadsheet.

1. The calculation of the Assessable Amount for the street quantities was adjusted from a 33.3% Town responsibility/66.7% property owner responsibility to a 50/50 split in the costs. This change reduced the assessable costs by \$67,206.91.
2. The desire of the Town Board was to establish a standard cost for both the sanitary sewer and water. The shortest RSF frontage on the project is 100 feet. Since this is a typical residential lot width in the Town, this width was used to calculate the standard special assessments for sanitary sewer and water. Using these amounts, the assessable sanitary sewer costs are reduced by \$61,681.07 and the assessable water costs are reduced by \$37,713.50.
3. Setting a standard special assessment cost for the sanitary sewer and water based on a 100-foot lot brings all of the corner lots to an assessment level lower than it would be with a corner lot credit. The standard special assessment for sanitary sewer and water is less than the assessments would be if an assessment was calculated in accordance with the policy and then given a corner lot credit. Therefore, corner lot credits have not been given for the sanitary sewer and water assessment. The corner lot credits have been given for the street assessments.
4. Wetland deferment calculations have also been modified. Each assessment (sewer, water & street) has been reduced by the ratio of the Deferred Wetland Frontage over the actual Assessable

Frontage. The result of this is that no parcel has their assessment reduced to zero unless the entire frontage is a designated wetland.

There was also discussion by the Town Board about what happens when a parcel is divided. Staff recommends that the standard cost is applied to each residential unit that is created, e.g. a single family home – one std. cost, a duplex – 2 std. costs, five condos – 5 std. costs, etc. These costs would be \$5,588.72 per unit for sanitary sewer and \$3,630.94 for water.

Further discussion was held on the issue of deferment of the utility assessments until a property actually hooks up to the utility. The Special Assessment Policy states that if a property has a functioning well and septic system and can provide tests results that are less than 12 months old to substantiate this fact, the hook-up may be delayed and assessment deferred for up to ten years. On-going testing is required, wells every 5 years and septic systems every 3 years. A failed test of either system shall result in immediate hook-up. No replacement on-site systems or wells are allowed. The Board also discussed a deferment of sewer and water assessments until a property develops and would utilize a sewer and water hook-up, with a maximum deferment of ten years.

Staff also recommends that properties be required to hook-up to sanitary sewer and water if the property changes ownership and all assessments shall be paid in full.

FISCAL IMPACT: CIP

The changes from the schedule of assessments that was presented at the Public Hearing are as follows:

Sanitary District No. 1 – Reduction of assessed amount by \$37,713.50

Sanitary District No. 2 – Reduction of assessed amount by \$61,681.07

Street – Reduction of assessed amount by \$67,206.91

Total	\$166,601.48
-------	--------------

The maximum total special assessment for a 100-foot parcel will be \$13,471.58 (sanitary sewer \$5,588.72, water \$3,630.94, street \$4,251.92). Please note that the sewer and water assessments will stay constant on all parcels but the maximum street assessment will vary with a parcel's frontage.

TOWN OF GRAND CHUTE
BOARD OF SUPERVISORS
OUTAGAMIE COUNTY, STATE OF WISCONSIN

RESOLUTION 8 SERIES OF 2016

CAPITOL DRIVE
(CASALOMA DRIVE – CAPITOL COURT)

A FINAL RESOLUTION AUTHORIZING SPECIAL ASSESSMENTS FOR STREET RECONSTRUCTION LOCATED ON CAPITOL DRIVE (CASALOMA DRIVE TO CAPITOL COURT), IN SECTION 17, T21N-R17E AS LOCATED IN THE TOWN OF GRAND CHUTE, AND LEVYING SPECIAL ASSESSMENTS AGAINST SPECIALLY BENEFITING ABUTTING PROPERTY OWNERS OR ON AN AREA WIDE BASIS TO SPECIFICALLY BENEFITING PROPERTY OWNERS UNDER CHAPTER 60 AND 66.0703(1)(b), ET AL, POLICE POWERS, WIS. STATS., 2013-2014 AS AMENDED.

WHEREAS, the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, did pass a Preliminary Resolution 2, Series of 2016, on the 18th day of February, 2016, and declaring their intention to exercise special assessment powers under Wisconsin Statutes, Chapter 60 and 66.0703(1)(b), et al., for street improvements as described and shown on Exhibit "A" and did publish the required statutory Notice of Public Hearing on Special Assessments in the Post-Crescent, and did further mail a copy of said Notice of Public Hearing to all specially abutting property owners or on an area wide basis to specifically benefiting property owners within the required statutory time; and,

WHEREAS, the abutting property owners or area wide benefiting property owners affected by the street improvements are those owners of real estate within the area described in the preceding paragraph; and,

WHEREAS, the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, did hold a Public Hearing at the Town of Grand Chute Town Hall located at 1900 W. Grand Chute Boulevard, Grand Chute, Outagamie County, Wisconsin, on the 10th day of March 2016, at 6:34 P.M., pursuant to the published Notice of Public Hearing and a mailing of said Notice to abutting property owners or area wide benefiting property owners for the purpose of informing and hearing all interested persons concerning the Preliminary Resolution and the Report of the Town of Grand Chute Engineer on the proposed improvements for street reconstruction, and did hear all persons desiring audience at said hearing.

NOW, THEREFORE, BE IT RESOLVED by the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, as follows:

1. That the Report of the Town of Grand Chute Engineer pertaining to the project and all plans and specifications thereto, as modified, are hereby approved and adopted, and that the properties being assessed are specially benefited by this project.
2. That the Town of Grand Chute is aware that the work for said street reconstruction will be carried out in accordance with the Report of the Town of Grand Chute Engineer.

3. That payment of said improvements be made by assessing the Town of Grand Chute's costs to the specially benefiting abutting property owners or to specifically benefiting property owners on an area wide basis under Chapter 60 and 66.0703(1)(b), et al, Wis. Stats., 2013-2014 as amended pursuant to the Town's Police Powers.
4. That the Town of Grand Chute will carry out the work for said improvements, all as aforementioned based on the Engineers Report.
5. That all costs to property owners shown on the Report of the Town of Grand Chute Engineer are true and correct and have been determined on a reasonable basis and are hereby confirmed.
6. That the assessments shall be paid in full at due date, or in installments as provided in Town of Grand Chute Special Assessment Policy with all deferred payments to bear interest at the current borrowing rate for this project of the Town of Grand Chute plus two (2) percent for administrative charges, which resulting sum will be charged per annum on the unpaid balance. Installments or assessments not paid when due shall bear interest from the delinquent date at the rate of eighteen (18) percent per annum.
7. The Clerk of the Town of Grand Chute is directed to publish this Resolution as a Class One Notice in the Post-Crescent, Appleton, Wisconsin.
8. The Clerk of the Town of Grand Chute shall mail a copy of this Final Resolution and a statement of the final assessment against abutting property or to area wide benefiting property, to each property owner whose name appears on the assessment roll and whose post office address is known or can, with reasonable diligence, be ascertained. This assessment may be revised, where necessary, pursuant to Chapters 60 and 66, Wis. Stats.

Date introduced, approved and adopted this _____ day of _____, 2016.

Workbook: Capitol Drive
 Worksheet: Engineer's report
 Disk: w:\Projects\G0006\940711\Documents\Spreadsheets
 Date: February 19, 2016
 Revised: February 24, 2016 (incorporated low bid prices)
 Revised: February 24, 2016 (adjusted corner lot credits - TJM)
 Revised: April 8, 2016 (adjusted frontages for Parcels 102114501 and 101078800)
 Revised: April 22, 2016 (Adjusted sewer and water assessments to match a 100-foot frontage and changed the street assessment to 50/50)

* No sewer or water assessments with this project. A Utility Connection Charge will be imposed upon commercial development of these properties.

**Town of Grand Chute
Conditional Use Permit Application Review
GCW Investments, LLC – Edgewood Acres Condominium South**

To: Plan Commission

From: Robert Buckingham, Community Development Director

Date: April 14, 2016

Address: 4810 N. Indigo Lane

App. #: CUP-02-16

REQUEST

Applicant is preparing to install roads, utilities and stormwater management facilities for this 30 unit single-family detached condominium project. The project will be developed with private roads and private maintenance responsibility as described in the condominium declaration. Access to the area will be from Indigo Lane in accordance with prior subdivision plats. A portion of the land in the condominium is located within 300 feet of a navigable stream. Accordingly, a County Conditional Use Permit is required to allow grading, filling and pond construction within the Shoreland Zoning District.

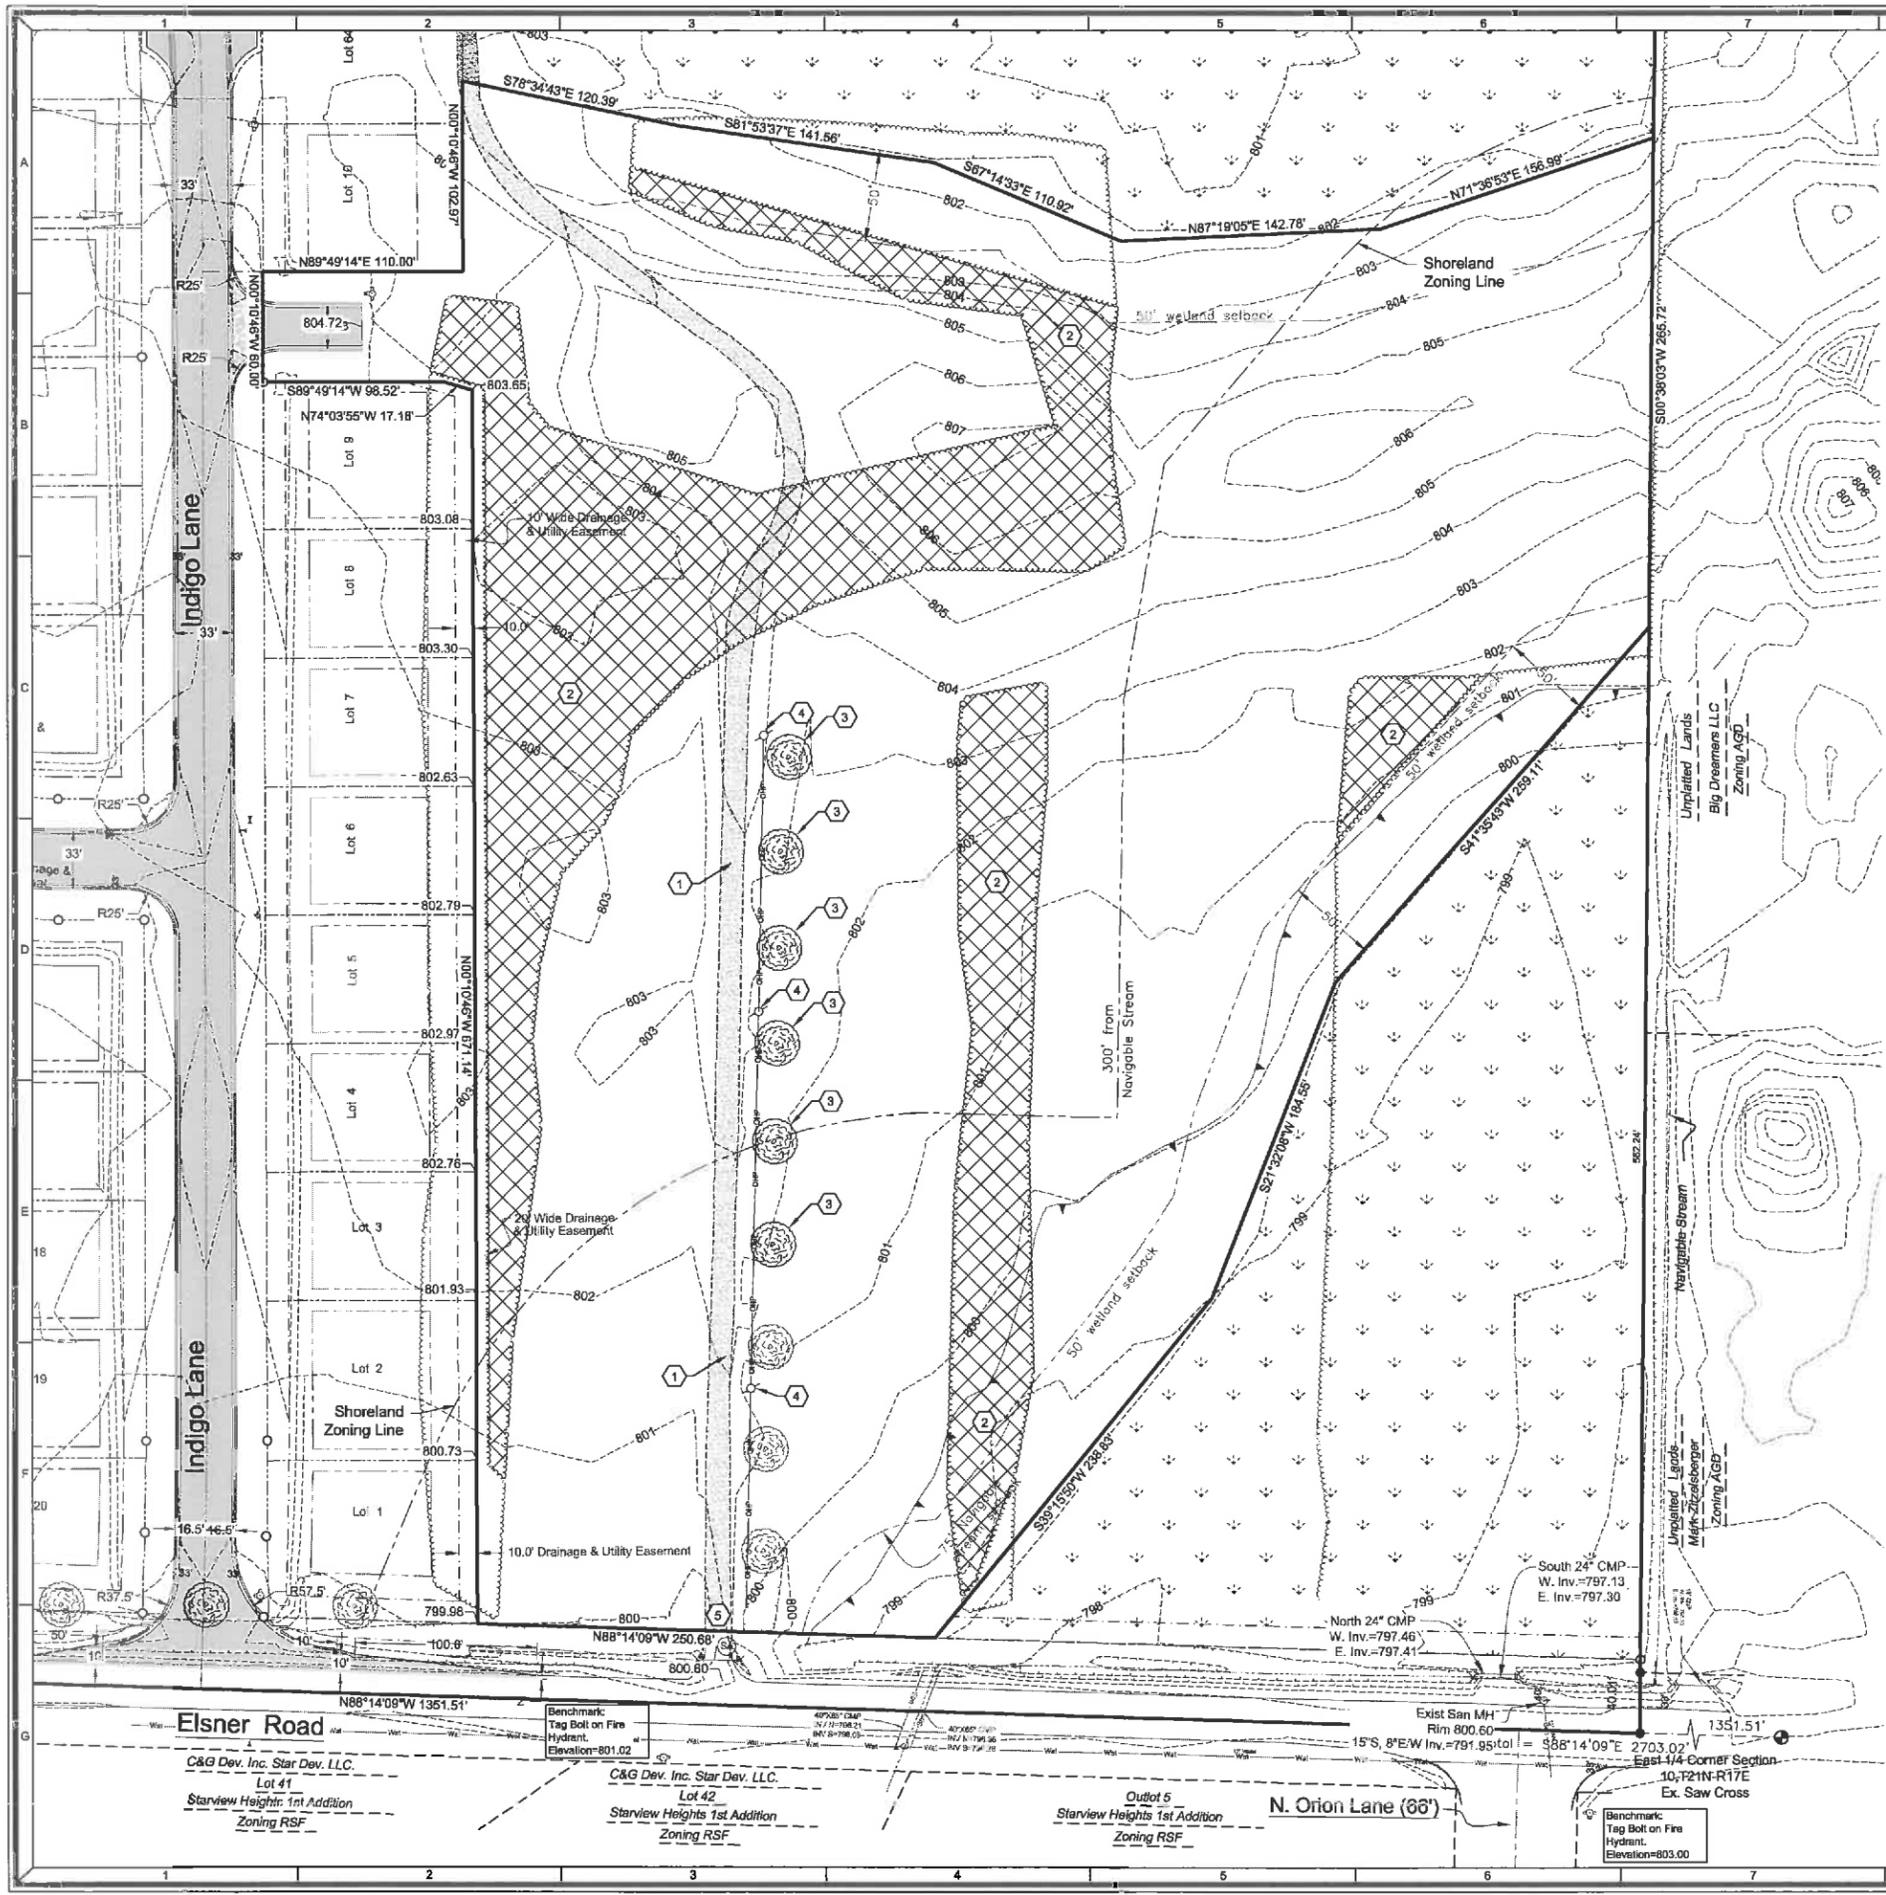

ANALYSIS

Like much of this part of Grand Chute, the site has high groundwater and poor surface drainage. While these conditions require that extra precaution be taken in design and construction, they are not prohibitive or impossible to overcome. A delineated wetlands at the southeast corner of the site will be preserved and the adjoining navigable stream will remain as-is. Grading and filling work is needed to establish proper road grades, to provide required utility depths, to improve drainage and to build the stormwater pond. All this work is incorporated in the site engineering plans that were approved by the Town Engineer. Regarding stormwater management, the Town Engineer previously approved plans for drainage over the entire Edgewood Acres subdivision. As a check on conformance with drainage requirements for the subdivision, when each phase is developed, the developer is required to provide stormwater management documentation for areas under development up to that time, including the current phase being approved and any other previous phases. Work in this condominium area is scheduled for this construction season.

RECOMMENDATION

Staff has reviewed and supports a Plan Commission recommendation for approval of the Conditional Use Permit (CUP-02-16) requested by GCW Investments, LLC, 4810 N. Indigo Lane, to allow grading and filling for roadway, utility and stormwater pond construction.

To: Plan Commission

From: Robert Buckingham, Community Development Director

Date: April 14, 2016

Address: 4810 N. Indigo Lane

App#: CP-01-16

REQUEST

- 1. Proposed Use(s):** Single-family condominium homes
- 2. Project Description:** 30 detached single-family homes
- 3. Plat/CSM Accurate parcel lines/lot recorded:** Yes, new condominium plat pending

ANALYSIS

This is the first of three condominium sites within the overall Edgewood Acres subdivision that previously received Town approval as a Planned Unit Development. The development will be served by private roads with access from Indigo Lane, in accordance with prior subdivision approvals. A ped/bike trail and easement is provided to extend through the condominium. It provides a connection point to the future ped/bike trail along Elsner Road, and provides the first leg of the north-south ped/bike trail between CTH JJ and Elsner Road. This trail will continue being constructed with future phases of the Edgewood Acres subdivision. All of the homes will be 2-bedroom, 2-bath detached single family buildings, ranging up to 1670 s.f. in size, based on a set of available floor plans. Units will feature a 2-stall garage, full basement and first floor laundry. Some units will have a sunroom and some will have finished basements. All homes will feature patios, stone or brick fronts, and complete landscaping. The Condominium Plat has been reviewed and meets all statutory requirements. The development plans conform to the approved Special Exception Permit (SE-04-11) and the proposed Site Plan (SP-06-16) for the project.

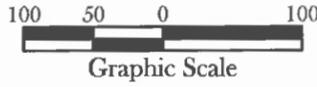

RECOMMENDATION

Staff has reviewed and supports a Plan Commission recommendation for approval of Edgewood Acres Condominium South plat (CP-01-16).

TOWN OF GRAND CHUTE

ORDINANCE, SERIES OF O-05-2016

AN ORDINANCE AMENDING EXISTING CHAPTER 535 OF THE CODE OF GENERAL ORDINANCES FOR THE TOWN OF GRAND CHUTE, OUTAGAMIE COUNTY, WISCONSIN BY CHANGING THE ZONING CLASSIFICATION OF CERTAIN PROPERTY LOCATED AT 5325 N. BALLARD ROAD FROM RSF SINGLE-FAMILY RESIDENTIAL DISTRICT AND IND INDUSTRIAL DISTRICT TO CL LOCAL COMMERCIAL DISTRICT.

WHEREAS, Chapter 535 of the Town of Grand Chute Municipal Code provides for establishment of the Official Town Zoning Atlas, upon which all zoning district classifications are mapped; and,

WHEREAS, The Town of Grand Chute has determined the need to amend said Official Zoning Atlas for purposes of changing the zoning classification for property located within the Town.

NOW THEREFORE BE IT ORDAINED by the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, that Chapter 535 of the Code of General Ordinances for the Town of Grand Chute is hereby amended by changing the zoning classification of the property located at 5325 N. Ballard Road from RSF Single-Family Residential District and IND Industrial District to CL Local Commercial District, further described as follows:

Part of the Southeast 1/4 of the Southeast 1/4 of Section 1, T21N-R17E, in the Town of Grand Chute, Outagamie County, Wisconsin, commencing at the Southeast Corner of said Section 1, thence North 554.32 feet to the POB; thence North 238.56 feet, West 1316.45 feet, South 239.15 feet, East 1317.54 feet to the POB, less road right-of-way. Tax Key Parcel #101-006600.

If any provision of this ordinance is invalid or unconstitutional, or the application of this ordinance to any person or circumstance is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the above provisions or applications of this ordinance, which can be given effect without the invalid or unconstitutional provision, or its application.

**Town of Grand Chute
Rezoning Request
Jared Van Lanen, on behalf of Donald J. Van Handel Family
Wisconsin Limited Partnership**

To: Plan Commission

From: Robert Buckingham, Community Development Director

Date: April 14, 2016

Address: 5325 N. Ballard Road

App. #: Z-05-16

REQUEST

The applicant (Jared Van Lanen) has an offer to purchase on this Van Handel property. Sale is subject to the rezoning of the property. The intended use of the property is to continue the commercial service use of the existing building and to construct self storage buildings on the remainder of the site. The request is to rezone from **RSF Single-Family Residential District & IND Industrial District to CL Local Commercial District.**

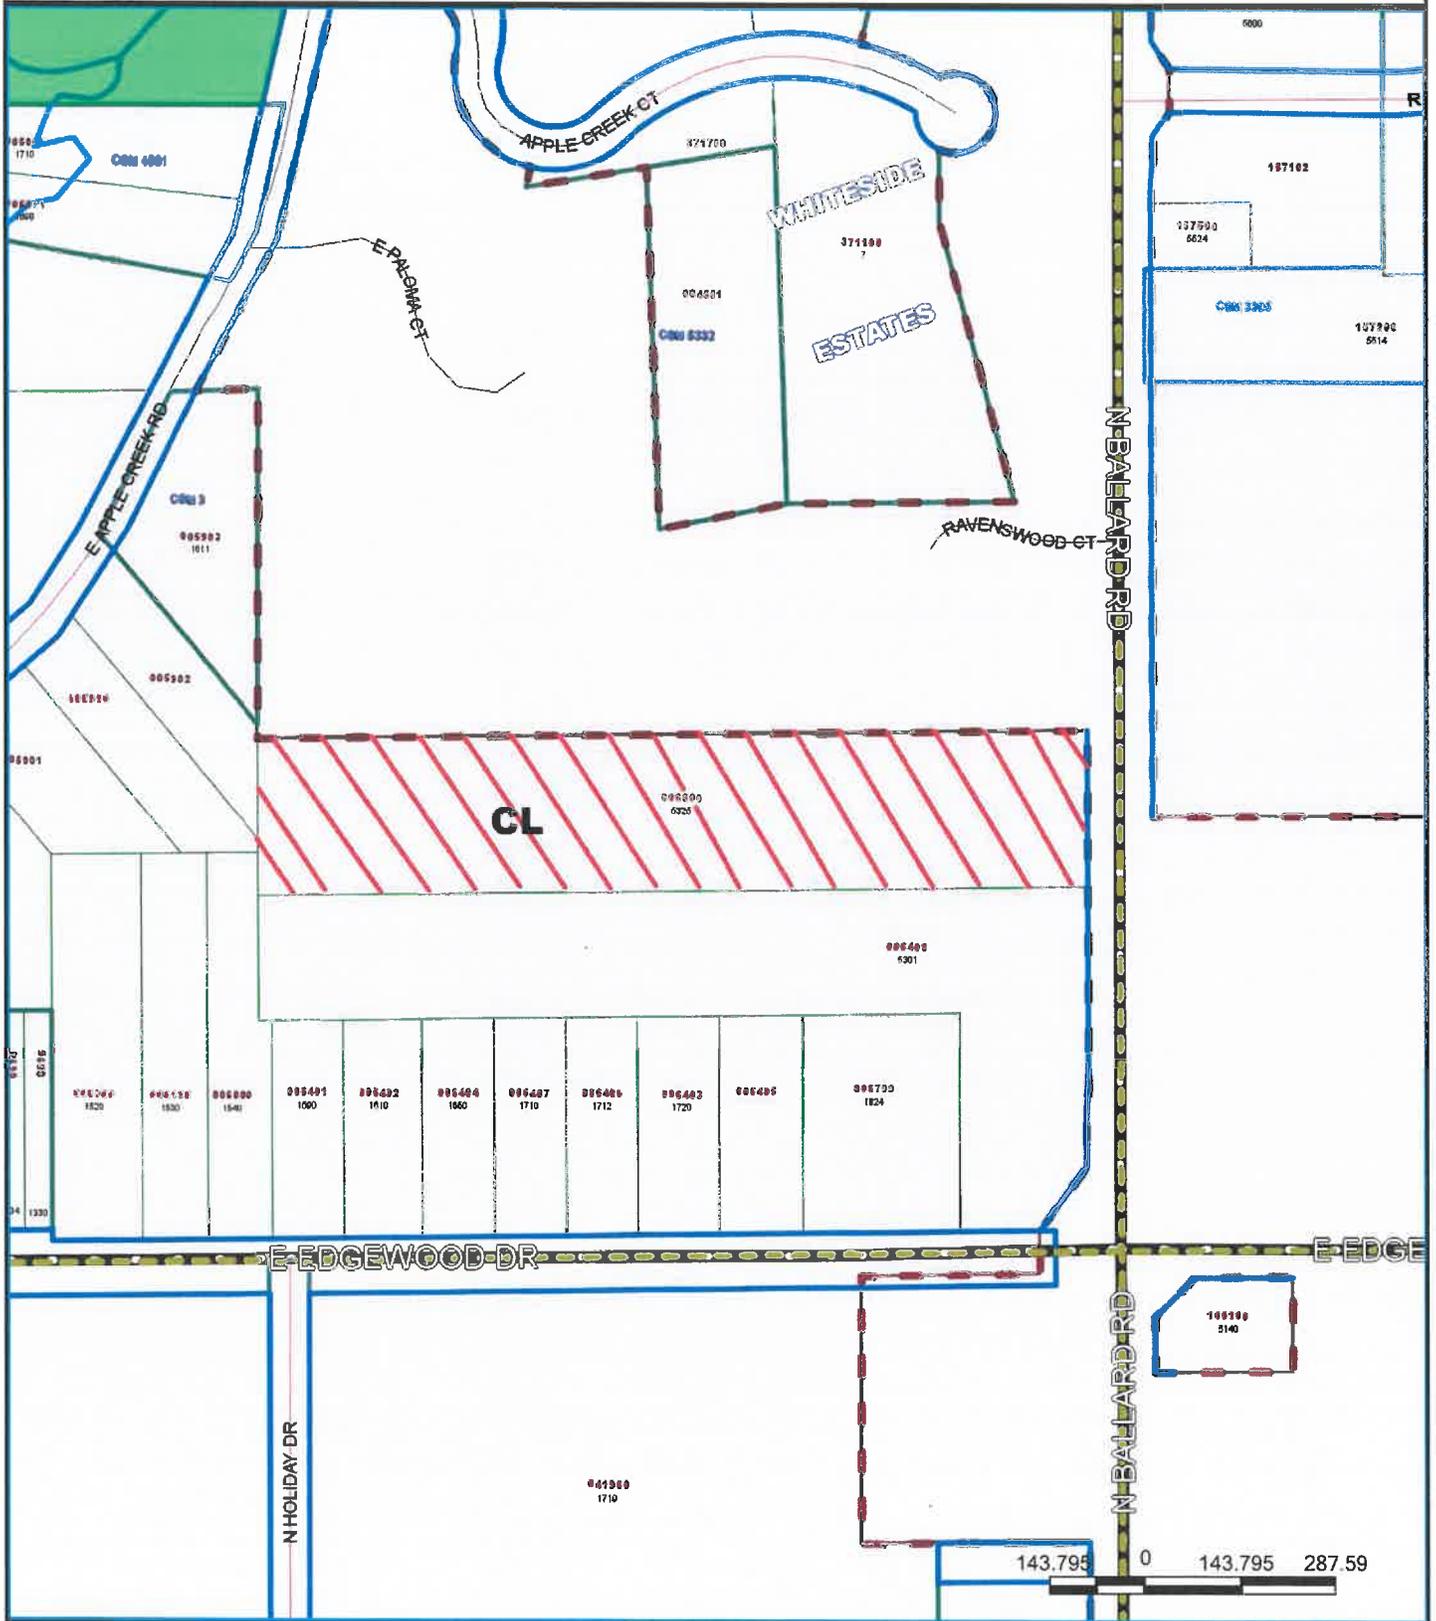

ANALYSIS

The requested rezoning to commercial classification and the intended use for the property is a favorable outcome, and provides a use more compatible with the neighborhood than the historic use for heavy equipment and materials stockpiling. Once the property is rezoned, Site Plan approval will be required before the storage buildings can be constructed. This will include review of landscape screening, lighting, and stormwater management. This rezoning action for commercial classification is consistent with the "commercial/industrial" land use designation in the Comprehensive Plan.

RECOMMENDATION

Staff has reviewed and supports a Plan Commission recommendation to rezone the property at 5325 N. Ballard Road from RSF Single-Family Residential District and IND Industrial District to CL Local Commercial District. (Ordinance No. 05-2016)

Rezoning to CL - 5325 N. Ballard Road

**Town of Grand Chute
Special Exception Request
Baylake Corp, dba Nicolet National Bank**

To: Plan Commission

From: Michael Patza, Town Planner

Date: April 14, 2016

Address: 333 S. Nicolet Road

App. #: SE-08-16

REQUEST

1. **Proposed Use:** Continued retail bank use
2. **Project Description:** Operation of an electronic message center
3. **Plat/CSM Accurate parcel lines/lot recorded:** Yes

ANALYSIS

Applicant seeks approval to operate an electronic message center that will be a part of a new pylon sign for its commercial bank location. The new sign will be 25' in height with a total size of 144 sq. ft., including a 53 sq. ft. electronic message center. The electronic message center will be equipped with automatic light sensors that adjust sign brightness according to the intensity of ambient light levels. The Sign Code enumerates a series of standards and technical requirements that must be met in the operation of this electronic message center.

FINDINGS OF FACT IN GRANTING OF A SPECIAL EXCEPTION

- a. **The establishment, maintenance or operation of the proposed Special Exception use or structure at the proposed location will not be detrimental or injurious to the use and enjoyment of existing uses on adjacent properties or properties in the vicinity. *Found.***
- b. **The establishment, maintenance or operation of the proposed Special Exception use or structure, alone or in combination with other existing Special Exception uses and structures in the vicinity will not cause traffic hazards. *Found.***
- c. **Adequate provision is made for surface water drainage, ingress and egress to the property, and off-street parking. *Found.***
- d. **Adequate public facilities and services are available for the proposed Special Exception use of structure. *Found.***

RECOMMENDATION

Staff has reviewed and supports a Plan Commission recommendation for approval of the Special Exception Permit (SE-08-16) requested by Baylake Corp, dba Nicolet National Bank, 333 S. Nicolet Road, to allow operation of an electronic message center.

JONES SIGN

Your Vision. Accomplished.

March 17, 2016

To: Town of Grand Chute – Planning Commission & Town Board
1900 Grand Chute Blvd.
Grand Chute, WI 54913

RE: Special Exception Permit for Nicolet Bank – 333 S Nicolet Rd. Appleton, WI 54914

Jones Sign Company is currently working with our client, Nicolet Bank, to identify a number of bank branch buildings being converted from BayLake Bank to Nicolet Bank. The current scope of work at the subject property involves replacement of an existing pylon sign which is located at the corner of W Spencer Street and S Nicolet Road.

The existing three sided pylon sign with electronic message unit at this location is an older sign with a decorative brick/block base. It was determined that, due to the age of this sign and dated appearance, it would be more cost effective to remove and replace the sign in its entirety. The overall height of the existing sign is 25 feet.

Jones Sign and Nicolet Bank would like to construct a new, two sided pylon sign with a new electronic message unit in the same location as the existing sign. The new sign will also be 25 feet in overall height.

The unique location of this business lends itself to the use of a pylon style sign. This location is in close proximity to College Avenue (a major thoroughfare), Fox River Mall and Highway 41. The area surrounding is somewhat of a buffer area between a commercial area, a highway corridor and an urban type residential area. Therefore, a balance needs to be achieved in providing business identification, location and information while also not infringing on the residential neighborhoods. The proposed sign package along with the other landscaping features of the property will allow this business to reach out to its existing and future customer base while maintaining a good buffer between commercial and residential uses.

Considering that an existing pylon style sign with an electronic message unit currently exists at this location, and also considering that numerous other businesses in proximity to this location are currently displaying pylon signs and electronic message units, the current sign proposal will not be a detriment. The proposed sign and electronic message will blend in with other existing area businesses as well as future businesses looking to locate in this area. The new signs along with additional refreshments being proposed at this location will greatly improve the appearance of this branch location.

Sincerely,

Jones Sign Company
On Behalf Of Nicolet Bank

Re: Town of Grand Chute
Contract 2016-07
College Avenue North Frontage Road Reconstruction
Letter Of Recommendation
McM. No. G0006-9-14-00664

On February 23, 2016, bids were received at the Town Hall for the above referenced project. Seven bids were received, ranging in price from \$246,058.25 to \$346,529.30 (bid tabulation enclosed).

Based upon the bids received, we recommend awarding Contract 2016-07 to the low bidder, Triple P. Inc. dba Peters Concrete, in the amount of \$246,058.25.

If you agree with our recommendation, please date and sign the enclosed Notices of Award, and return all copies to our office for incorporation into the contract documents.

If you have any questions, please feel free to contact me.

Respectfully,

McMAHON

NOTICE OF AWARD

Dated: _____

To: TRIPLE P. INC dba PETERS CONCRETE
1516 Atkinson Drive
Green Bay, WI 54303

Contract No. 2016-07

Project: COLLEGE AVENUE NORTH FRONTAGE ROAD RECONSTRUCTION
McM. No. G0006-9-14-00664
For The TOWN OF GRAND CHUTE | Outagamie County, Wisconsin

You are notified that your Bid, dated February 22, 2016 for the above Contract has been considered. You are the apparent successful Bidder and have been awarded a Contract for the College Avenue North Frontage Road Reconstruction for the Town of Grand Chute, Outagamie County, Wisconsin.

The Contract Price of your contract is Two Hundred Forty-Six Thousand Fifty-Eight & 25/100 Dollars (\$246,058.25).

You must comply with the following conditions precedent within **15-days** of the date of this Notice of Award, that is by _____.

1. You must deliver to the OWNER three (3) fully executed counterparts of the Agreement including all the Contract Documents.
2. You must deliver with the executed Agreement the Contract Security (bonds), as specified in the Instructions to Bidders, General Conditions (Paragraph 5.1) and Supplementary Conditions.
3. You must deliver Insurance Certification complying with the General Conditions and Supplemental Conditions of the Contract Documents.

Failure to comply with these conditions within the time specified will entitle OWNER to consider your Bid abandoned, to annul this Notice of Award and to declare your Bid Security forfeited.

One (1) fully signed counterpart of the Agreement, with the Contract Documents attached, will be returned to you within 15-days after you comply with the above noted conditions.

AGENDA REQUEST
4/21/2016

TOPIC: Sale of Fire Department Rescue Vehicle

<input checked="" type="checkbox"/> New Business <input type="checkbox"/> Unfinished Business <input type="checkbox"/> Reports <input type="checkbox"/> Closed Session <input type="checkbox"/> Ordinance/Resolution	Meeting: Town Board
Department Reporting: Fire Department	Submitted By: Fire Chief Timothy Bantes

ISSUE: Shall the Town Board approve the sale of the Fire Departments 1995 Marion Rescue vehicle to the Town of Vandebroek for \$79,000?

BACKGROUND/ANALYSIS: In the fire department 2016 CIP budget, the Town Board approved the purchase of a new Rescue Pumper. As part of that replacement/ purchasing plan, the fire department would sell the current 1995 Marion Rescue vehicle.

Information on the 1995 Marion Rescue was circulated and had three area fire departments come and look at the vehicle.

We have received a written offer of \$79,000 from the Town of Vandebroek for the purchase of the vehicle.

RECOMMENDATION: The Fire Department staff recommends approval of the sale.

FISCAL IMPACT: CIP

The asking/ for sale price was \$79,000

ATTACHMENTS:

AGENDA REQUEST
5/3/2016

TOPIC: Authorization for DPW to purchase truck equipment

<input checked="" type="checkbox"/> New Business <input type="checkbox"/> Unfinished Business <input type="checkbox"/> Reports <input type="checkbox"/> Closed Session <input type="checkbox"/> Ordinance/Resolution	Meeting: Town Board
Department Reporting: Public Works	Submitted By: Thomas J. Marquardt, P.E. <i>TJM</i> Director of Public Works

ISSUE: Shall the Town Board approve purchase of the truck bodies, lift gates and plows for the previously purchased truck chassis (3 trucks)?

BACKGROUND/ANALYSIS: A utility body, lighting, hitch, step bars and plow is proposed for the new Chevrolet 2500 Parks truck. A liftgate, step bars and plow for the Chevrolet 2500 Street truck. Step bars and a plow for the Chevrolet 2500 Utility truck.

All bodies and added equipment is proposed to be purchased under the NJPA Contract Program.

RECOMMENDATION: Staff recommends that the Town Board approve the purchase of the truck bodies, plows and other equipment listed on the attached quotation sheets.

FISCAL IMPACT: BUDGET

Parks Truck -	Chassis	\$30,593.50	Total Budget	\$53,000
	Body and Assessories	\$22,568.00		
		\$53,161.50		
Street Truck -	Chassis	\$29,152.50	Total Budget	\$40,500
	Body and Assessories	\$9,910.00		
		\$39,062.50		
Utility Truck -	Chassis	\$28,872.50	Total Budget	\$36,000
	Body and Assessories	\$6,131.00		
		\$35,003.50		

The total package for the Parks truck was \$161.50 over the budgeted amount but both the Streets and Utility truck packages were well under budget.

ATTACHMENTS:

- Attachment No. 1 - Parks truck quotation
- Attachment No. 2 - Streets truck quotation
- Attachment No. 3 - Utility truck quotation

TOPIC: Approval of typical street cross section for Spencer Street from Casaloma Drive to Mayflower Drive.

<input checked="" type="checkbox"/> New Business <input type="checkbox"/> Unfinished Business <input type="checkbox"/> Reports <input type="checkbox"/> Closed Session <input type="checkbox"/> Ordinance/Resolution	Meeting: Town Board
Department Reporting: Public Works	Submitted By: Thomas J. Marquardt, P.E., <i>TJM</i> Director of Public Works

ISSUE: Approval of the typical street cross section for Spencer Street from Casaloma Drive to Mayflower Drive for McMahan to proceed to 30 percent plans for the WDOT review.

BACKGROUND/ANALYSIS:

Over the past 6 months, McMahan Associates has been working on the survey, permitting and preliminary design for the Spencer Street urbanization project from Casaloma Drive to Mayflower Drive. The basic concepts that they were proceeding with was an urban cross section, two lanes of traffic, sidewalk on the south side and 10-foot asphalt trail on the north side. The actual pavement width was never formally discussed or approved.

There are several options that we have used in the past, which will work for this situation.

OPTION 1 - 36 feet between the curb faces, 5-foot sidewalk on the south side, 10-foot trail on the north side. The trail is proposed on the north side because the existing trail to the east of Casaloma Drive is on the north side of the street. This section allows two through-traffic lanes and a 7-foot parking/bike lane. On the existing road there is no room for on-street parking and the older homes are set back with longer driveways.

Option 1A - Two 12-foot painted travel lanes, no parking either side, 6-foot marked bike lanes on both sides and 5-foot sidewalks on both sides. This section does not continue the off-road trail from east of Casaloma. Bicycle traffic is directed to the bike lanes and separated from the pedestrian traffic.

Option 1B - Two 11-foot painted travel lanes, parking allowed on both sides, 10-foot trail on the north side and a 5-foot sidewalk on the south side. This section continues the 10-foot trail from east of Casaloma Drive and does not provide marked bike lanes on the pavement. Pedestrians and bicycles would share the north side trail. The 5-foot sidewalk on the south side for pedestrians will most likely see some bicycle traffic as well. This is the typical section used on Bluemound Drive.

OPTION 2 - 40 feet between the curb faces, 5-foot sidewalk on the south side, 10-foot trail on the north side. This section allows two 11-foot through-traffic lanes, a 5-foot marked bike lane on each side and an 8-foot parking lane on one side. The current road has no room for on-street parking and the older homes are set back with longer driveways. This is the roadway option that was used on Capitol Drive to the east of Richmond Street. This section only allows for 5-foot terraces. This option only allows for 5-foot terraces which do not provide much area for snow storage.

Option 2A - With the two marked bike lanes on the roadway, there is not a need to have an off-road trail. The trail on the north side could be changed to a 5-foot sidewalk. This change will provide two 11-foot lanes, two 5-foot marked bike lanes, an 8-foot parking lane on one side, a 5-foot sidewalk on each side and terraces that would be 7.5 feet wide. The wider terraces are better for snow storage. This option separates the bicycles and pedestrians.

There are other modifications that can be incorporated into each of these options that provides for a designated bicycle travel area while not marking it as a restricted bike lane with no parking.

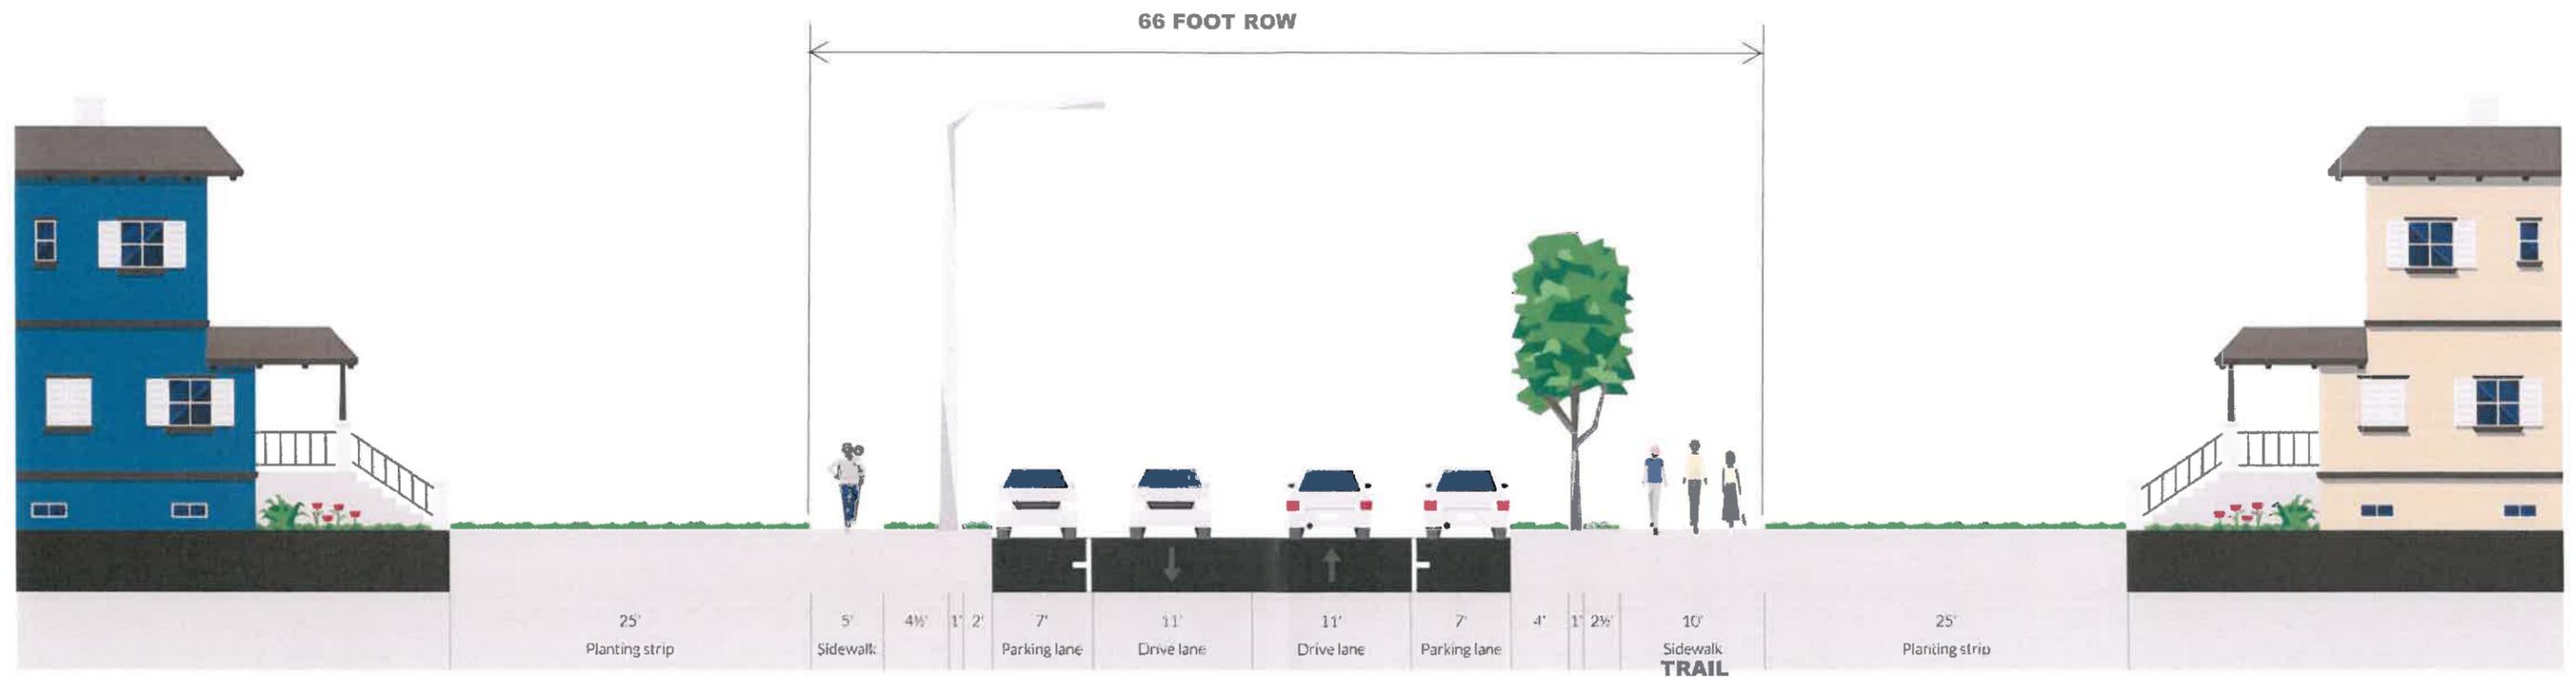

RECOMMENDATION: Staff recommends that the Town Board review the options and ask questions prior to the meeting so staff has time to prepare a response. Given the success and lack of complaints about the traffic lane and bike lane configuration on Capitol Drive, it is staff's recommendation that the Town Board approve Option 2A. The following are the advantages of this option

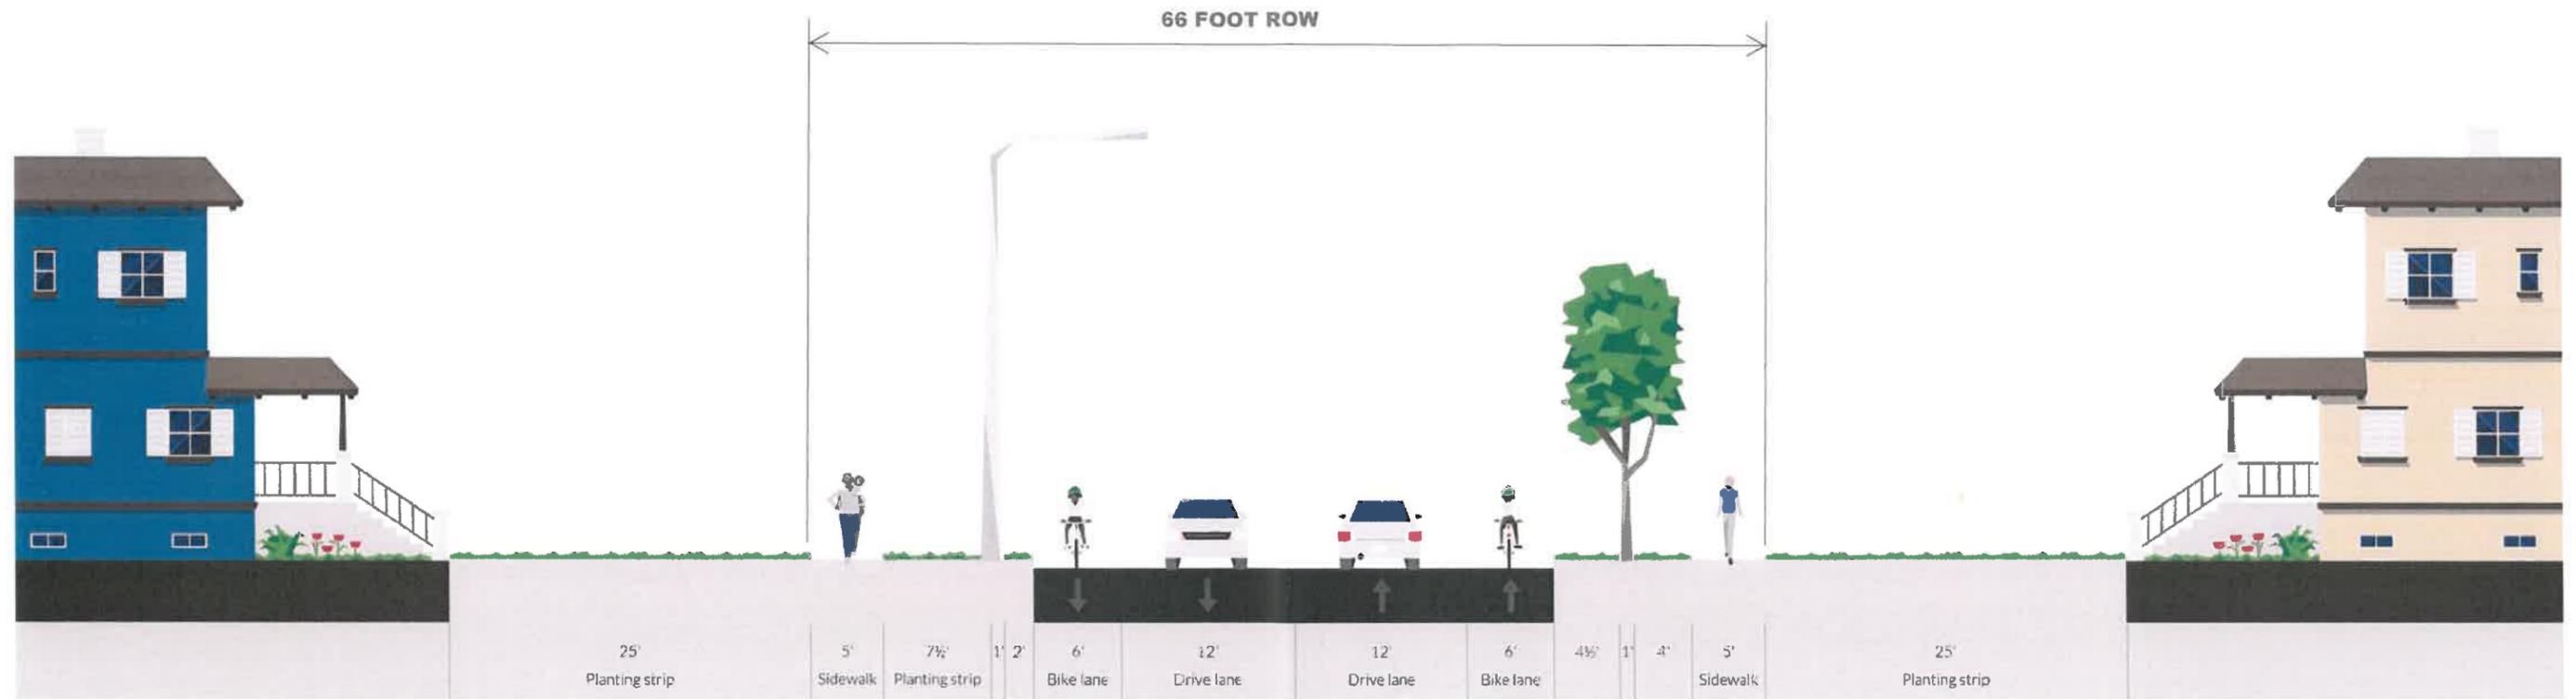

- Minimizes the asphalt surface (40 feet versus 46 or 50 feet)
- Provides on-street parking on one side which was not available before.
- Separates bike and pedestrians
- Provides a wider terrace for snow storage, utilities, mailboxes and light poles, maybe future bus stops.

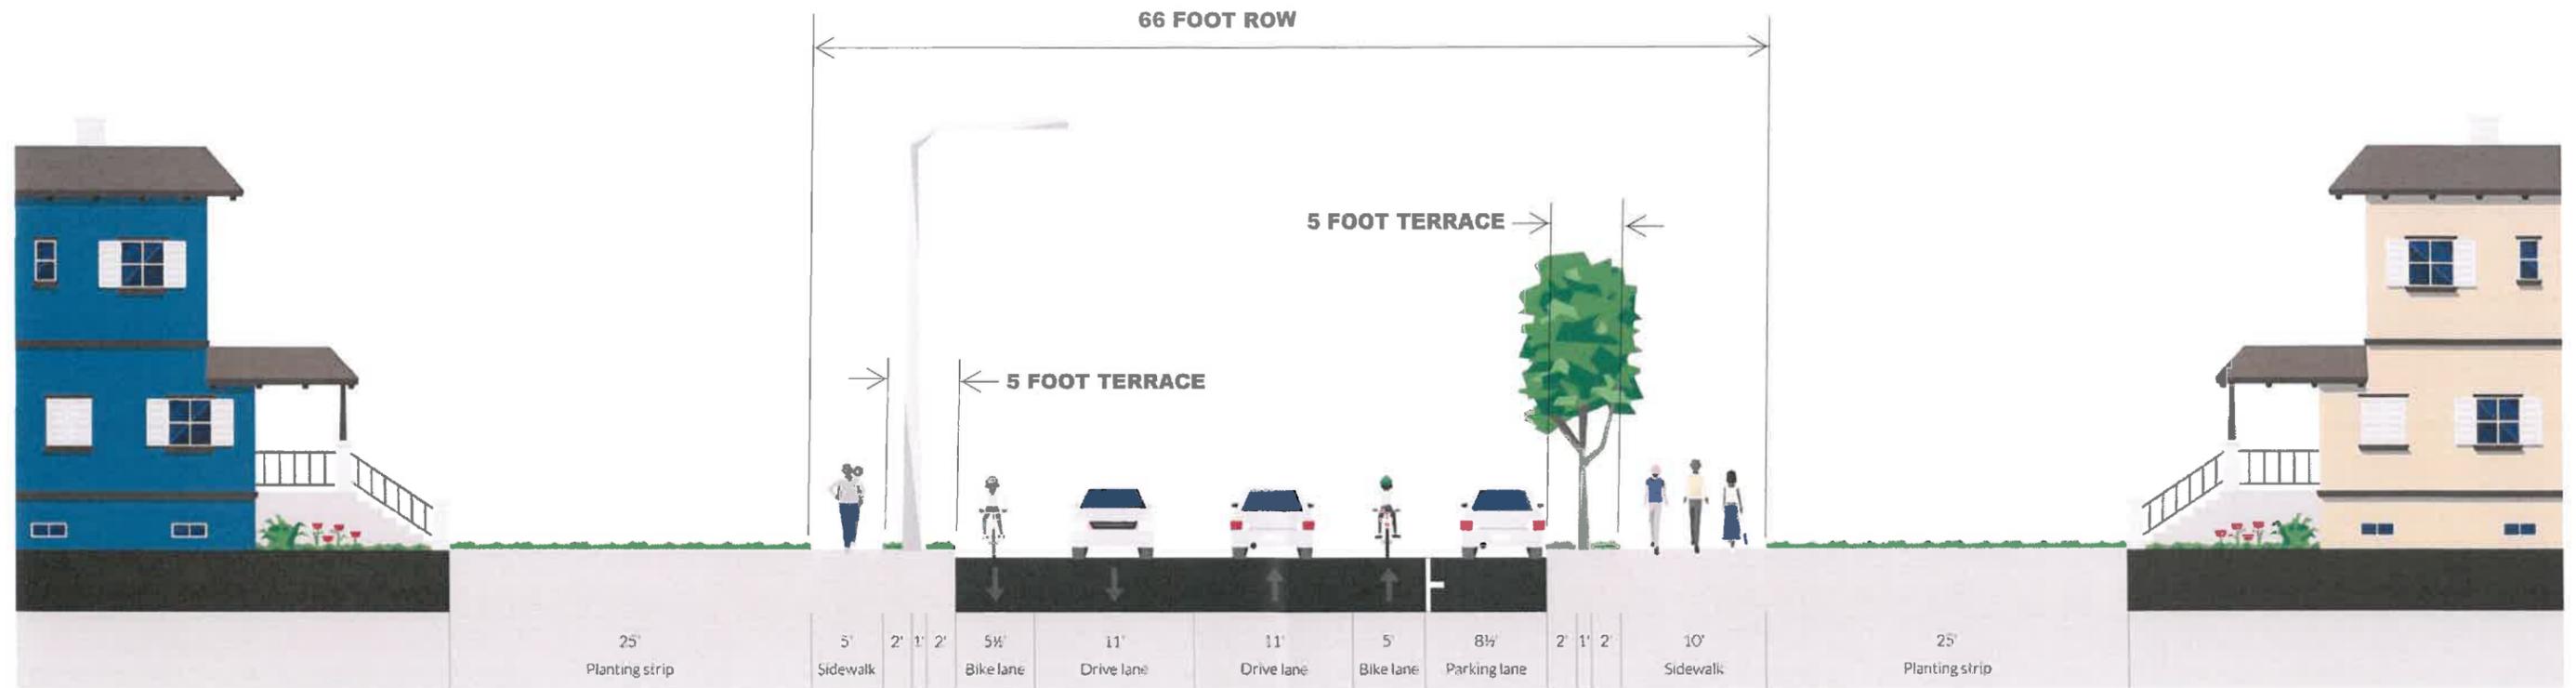

FISCAL IMPACT: CIP

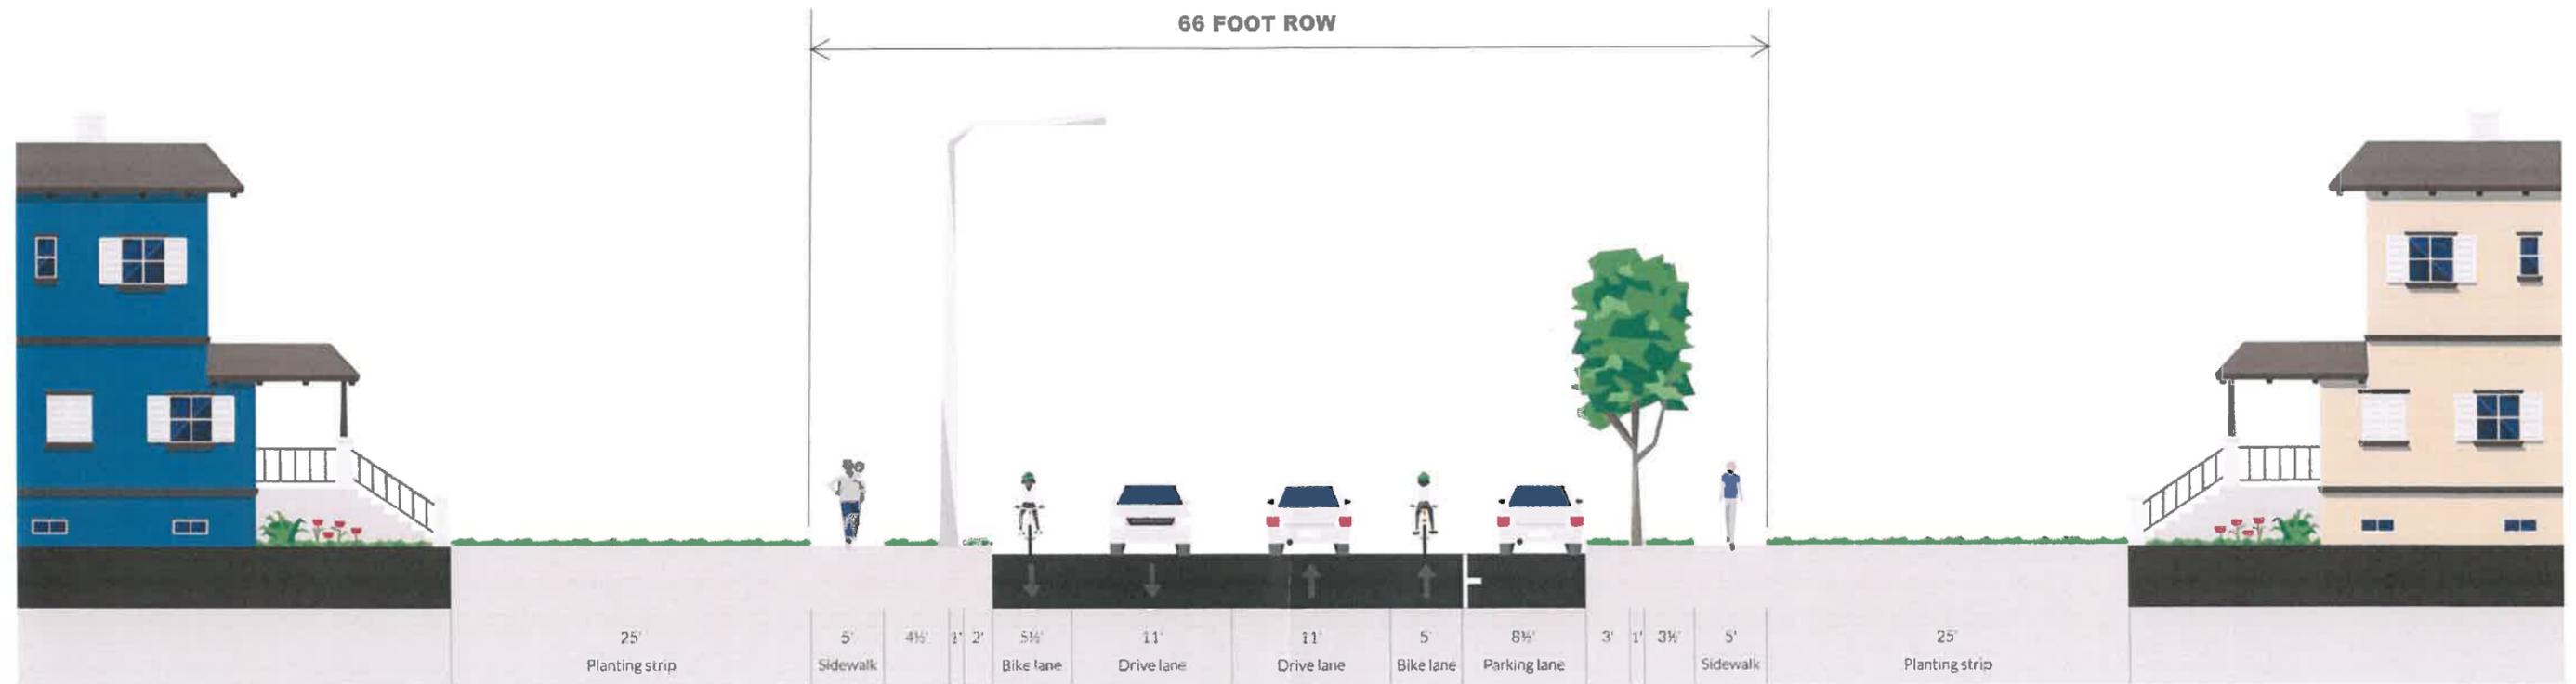

This project is a CIP and WDOT 80/20 grant funded project scheduled for construction in 2019. All presented options will fit within the existing 66-foot right-of-way. Temporary construction easements will be require for all of the options for sloping. Minimizing the hard surface area while still providing the needed travel alternatives is the most cost effective approach. Incorporating bike accommodations within the roadway is more cost effective than constructing a separated trail.

TOPIC: 2016-2017 Insurance Renewal

<input checked="" type="checkbox"/> New Business <input type="checkbox"/> Unfinished Business <input type="checkbox"/> Reports <input type="checkbox"/> Closed Session <input type="checkbox"/> Ordinance/Resolution	Meeting: Town Board
Department Reporting: Administration	Submitted By: Jim March

ISSUE: Shall the Town Board accept the insurance renewal package from EMC and Travelers?

BACKGROUND/ANALYSIS: Two years ago, we had solicited quotes from outside insurance vendors to ensure that the Town is receiving the best possible prices for insurance in the market. This is a time consuming process involving significant paperwork. In addition, Mary Baxter and I met with the respective vendors to review the proposals and quotes.

As a result, we switched from Liberty Mutual to EMC Insurance. Liberty made some changes that made them less than competitive in the municipal markets. Staff has been very satisfied with the service provided by EMC and they again provided an aggressive renewal package this year. Staff met with our insurance broker Arthur J. Gallagher recently and reviewed the renewal package.

We are recommending that the property insurance move from the LGPIF to Travelers based on renewal quotes and the unfavorable renewal quote from LGPIF. Based on what Arthur J. Gallaher is witnessing with their other municipal clients, they recommend that the Town accept the renewal package from EMC and also use Travelers for our property insurance. A breakdown of each of the quotes and memo describing the renewal is attached.

RECOMMENDATION: Approve insurance package renewal provided by EMC and Travelers

FISCAL IMPACT: This is a budgeted item.

RE: Property and Casualty Insurance Renewal

Dear Jim,

The property and casualty insurance program for the Town of Grand Chute renews on June 1, 2016. This letter serves as a summary of the renewal program and includes our recommendation to renew coverage with the current insurance carriers, with the exception of your Property Insurance program which we recommend you move from the Local Government Property Insurance Fund to Travelers.

Marketing Effort

Based upon strong renewal indications and a developed relationship, we determined to focus our efforts on securing a favorable renewal from EMC for your Workers Compensation, General Liability, Auto, Law Enforcement Liability, Public Officials (Linebacker), and Umbrella lines of coverage. EMC is a leading provider of insurance coverage for municipalities and other governmental districts throughout Wisconsin. They offer a strong mix of competitive pricing, comprehensive coverage terms, and municipal specific risk control and claims services.

Because of questions raised over the last year regarding the future of the Local Government Property Insurance Fund and an unfavorable renewal indication, we mutually agreed to market the Property and Contractors Equipment coverages on your behalf.

Results

On all renewal lines except Workers Compensation, the premium for these lines is a 1.7% increase vs. expiring pricing, however on a trended basis the premium is down 1.83%. The trended basis accounts for expiring rates at the additional renewal exposures for 2016/2017.

On Workers Compensation, there is a premium increase of 15%. This is attributed to an Experience Modification Factor increase from 0.8 to 0.96 as well as increased exposures. We negotiated increasing your dividend from 17% to 20%. Net of dividend, your increase is 11% for Workers Compensation.

As discussed before, we approached 4 markets for your Property and Contractors Equipment coverages, EMC, Liberty Mutual, Chubb, and Travelers. Our recommendation is for you to move forward with the Travelers policy. They have offered a premium of \$30,649, which is flat vs. your expiring premium from the Local Government Property Insurance Fund. On a trended basis, their offer is down 10.74% vs. expiring. Travelers's offer adds earthquake and broad flood coverage at scheduled locations.

A comparison of the expiring and renewal premiums is detailed in Exhibit A.

Exhibit A

Renewal Premium Summary				
Client: Town of Grand Chute				
Effective Date: 06/01/2016				
This workbook is used to demonstrate a comparison of your year over year insurance premium on a trended basis. Trended premium is calculated by taking an average rate across each coverage line, and multiplying by the renewal exposures. The trended premium demonstrates a premium where the rate has stayed flat, but the exposures have adjusted to the levels as reported to us as part of our renewal process.				
	Expiring	Trended	Renewal	Vs. Trended
Equipment Breakdown	\$2,332	\$2,713	\$2,578

AGENDA REQUEST
5/3/2016

TOPIC: Request from Supervisor to investigate the installation of stop signs at Amberwood Lane and Casaloma.

<input checked="" type="checkbox"/> New Business <input type="checkbox"/> Unfinished Business <input type="checkbox"/> Reports <input type="checkbox"/> Closed Session <input type="checkbox"/> Ordinance/Resolution	Meeting: Town Board
Department Reporting: Public Works	Submitted By: Thomas J. Marquardt, P.E., <i>JM</i> Director of Public Works

ISSUE: Staff report on the installation of stop signs at Amberwood Lane and Casaloma Drive to control speeding on Casaloma Drive.

BACKGROUND/ANALYSIS:
 Town Supervisors have heard from a number of residents in the area of Casaloma Drive between Capitol Drive and the northern terminus. There is a concern that the present traffic speeds are much too high and when the road is reconstructed, the vehicles will go even faster. A suggestion was made that a four-way stop at Amberwood and Casaloma would slow the vehicles.

The installation of stop signs should be based on guidance from the Manual of Uniform Traffic Control Devices (MUTCD). There are specific warrants that should be met, similar to the analysis that is done to install a traffic signal. Stop signs are frequently violated if unwarranted.

Many studies have shown that stop signs are not an effective measure for controlling or reducing midblock speeds. The overuse of stop signs may cause drivers to carelessly stop at the stop signs that are already installed. Stop signs can give pedestrians a false sense of safety if it is assumed that all vehicles will come to a complete stop at the proper location. A study conducted by Richard Beaubien, a noted expert in traffic engineering, showed that placing stop signs along a street may actually increase the peak speed of vehicles, because motorists tend to increase their speed between stop signs to regain the time spent at the signs.

As an alternative to the stop signs at this location, I would recommend investigating the use of traffic calming techniques. This technique may involve physical controls such as traffic circles or speed humps, but also must include community support and a raised awareness of the issue by drivers and residents of the neighborhood.

I have included speed and enforcement data from Chief Peterson along with an email response to one of the residents concerning the speeding and a possible police ride-along.

RECOMMENDATION: Allow staff and the Town's engineers to review the corridor as the preliminary design gets underway. We are aware of the issue and will employ the necessary traffic calming techniques to address the vehicles that may be travelling over the posted speed limit.

FISCAL IMPACT: N/A
There is no fiscal impact at this time.

Thomas Marquardt - Fwd: Speeding on Casaloma Dr.

From: Greg Peterson
To: Thomas Marquardt
Date: Friday, April 29, 2016 1:39 PM
Subject: Fwd: Speeding on Casaloma Dr.
Attachments: SKM_C364e16042010190.pdf; Citations and Warnings List by Location-Casaloma Dr.xls

Tom,

Here is what I sent to Mr. Desens. Let me know if you have any questions.

Greg

>>> Greg Peterson 4/20/2016 1:03 PM >>>
Mr. Desens,

I've attached two documents to this e-mail. The first contains data from a speed trailer deployment in June, 2015. You'll see that over a six day period, the speed of 8,250 vehicles was recorded and 54.81% were traveling at the posted limit of 25 mph or below. 96.91% were traveling at 34 mph or less. The average speed on the road is 22.92 mph. The fastest speeds recorded were in the 47-49 mph range. Two vehicles fell into that category. The second page of this document reveals that most of the more serious speeding violations are occurring between noon and 6:00 p.m. The third page depicts the number of vehicles traveling the road by time of day and day of week.

The second document is a spreadsheet listing all of our traffic enforcement activity associated in any way with Casaloma Dr. for the period of 01/01/2015 through 04/20/2016. This is obviously not all in your neighborhood, as Casaloma Dr. runs a considerable distance through the town. Because of the way our stops are recorded, and the way this report is written, it is difficult to filter for your neighborhood alone. As I looked through the document, I found a handful of contacts in your neighborhood, though most are in more heavily traveled areas of the town. It's important to note this report only captures written enforcement activity. If an officer stopped someone and gave a verbal warning, or if an officer parked and operated radar, but saw no violations, that information would not be captured in this report.

Today, I spoke with Captain Mike Velie about arranging a "radar ride-along" for you. Either Mike, or someone he designates, will contact you about a ride-along to observe our speed enforcement practices and give you an opportunity to estimate speeds and compare your estimation with the actual speed as determined by radar. I also mentioned your offer to participate in our volunteer Speedwatch program. He can discuss that with you further when he contacts you about the ride-along.

Finally, Captain Velie informed me he had just recalled the speed trailer from another deployment and, once the battery is recharged, he will position it somewhere in your neighborhood. I would anticipate that might happen later this week or early next week.

Should you have any questions regarding this information, please don't hesitate to contact me. I've also copied Captain Velie on this e-mail, and you may contact him as well. He is directly responsible for assigning our patrol resources to problem areas in the town.

Thank you bringing this matter to my attention last night. I enjoyed discussing it with you.

Greg

TOWN OF GRAND CHUTE
BOARD OF SUPERVISORS
OUTAGAMIE COUNTY, STATE OF WISCONSIN

RESOLUTION 7 SERIES OF 2016

COLLEGE AVENUE NORTH FRONTAGE ROAD
(Bluemound Drive to Lilas Drive)

A FINAL RESOLUTION AUTHORIZING SPECIAL ASSESSMENTS FOR STREET RECONSTRUCTION LOCATED ON COLLEGE AVENUE (BLUEMOUND DRIVE TO LILAS DRIVE), IN SECTION 28, T21N-R17E AS LOCATED IN THE TOWN OF GRAND CHUTE, AND LEVYING SPECIAL ASSESSMENTS AGAINST SPECIALLY BENEFITING ABUTTING PROPERTY OWNERS OR ON AN AREA WIDE BASIS TO SPECIFICALLY BENEFITING PROPERTY OWNERS UNDER CHAPTER 60 AND 66.0703(1)(b), ET AL, POLICE POWERS, WIS. STATS., 2013-2014 AS AMENDED.

WHEREAS, the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, did pass a Preliminary Resolution 09, Series of 2015, on the 3rd day of March, 2015, and declaring their intention to exercise special assessment powers under Wisconsin Statutes, Chapter 60 and 66.0703(1)(b), et al., for street improvements as described and shown on Exhibit "A" and did publish the required statutory Notice of Public Hearing on Special Assessments in the Post-Crescent, and did further mail a copy of said Notice of Public Hearing to all specially abutting property owners or on an area wide basis to specifically benefiting property owners within the required statutory time; and,

WHEREAS, the abutting property owners or area wide benefiting property owners affected by the street improvements are those owners of real estate within the area described in the preceding paragraph; and,

WHEREAS, the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, did hold a Public Hearing at the Town of Grand Chute Town Hall located at 1900 W. Grand Chute Boulevard, Grand Chute, Outagamie County, Wisconsin, on the 15th day of March 2016, at 7:00 P.M., pursuant to the published Notice of Public Hearing and a mailing of said Notice to abutting property owners or area wide benefiting property owners for the purpose of informing and hearing all interested persons concerning the Preliminary Resolution and the Report of the Town of Grand Chute Engineer on the proposed improvements for street reconstruction, and did hear all persons desiring audience at said hearing.

NOW, THEREFORE, BE IT RESOLVED by the Town Board of Supervisors of the Town of Grand Chute, Outagamie County, Wisconsin, as follows:

1. That the Report of the Town of Grand Chute Engineer pertaining to the project and all plans and specifications thereto, as modified, are hereby approved and adopted, and that the properties being assessed are specially benefited by this project.
2. That the Town of Grand Chute is aware that the work for said street reconstruction will be carried out in accordance with the Report of the Town of Grand Chute Engineer.

3. That payment of said improvements be made by assessing the Town of Grand Chute's costs to the specially benefiting abutting property owners or to specifically benefiting property owners on an area wide basis under Chapter 60 and 66.0703(1)(b), et al, Wis. Stats., 2013-2014 as amended pursuant to the Town's Police Powers.
4. That the Town of Grand Chute will carry out the work for said improvements, all as aforementioned based on the Engineers Report.
5. That all costs to property owners shown on the Report of the Town of Grand Chute Engineer are true and correct and have been determined on a reasonable basis and are hereby confirmed.
6. That the assessments shall be paid in full at due date, or in installments as provided in Town of Grand Chute Special Assessment Policy with all deferred payments to bear interest at the current borrowing rate for this project of the Town of Grand Chute plus two (2) percent for administrative charges, which resulting sum will be charged per annum on the unpaid balance. Installments or assessments not paid when due shall bear interest from the delinquent date at the rate of eighteen (18) percent per annum.
7. The Clerk of the Town of Grand Chute is directed to publish this Resolution as a Class One Notice in the Post-Crescent, Appleton, Wisconsin.
8. The Clerk of the Town of Grand Chute shall mail a copy of this Final Resolution and a statement of the final assessment against abutting property or to area wide benefiting property, to each property owner whose name appears on the assessment roll and whose post office address is known or can, with reasonable diligence, be ascertained. This assessment may be revised, where necessary, pursuant to Chapters 60 and 66, Wis. Stats.

Date introduced, approved and adopted this _____ day of _____, 2016.

TOWN OF GRAND CHUTE

Dave Schowalter
Town Chairman

Karen L. Weinschrott
Town Clerk

EXHIBIT A

DESCRIPTION:

A part of the Northwest 1/4 of the Southwest 1/4 and the Southwest 1/4 of the Southwest 1/4 of Section 28, Township 21 North, Range 17 East, Town of Grand Chute, Outagamie County, Wisconsin containing 14.3 acres of land more or less and described as follows:

Beginning at the intersection of the North line of Lands described in Volume 426 on Page 139 as Document No. 454827 and the East right-of-way line of Bluemound Drive; thence Easterly, 660 feet more or less along the North line of said Lands to the Northeast corner thereof; thence Easterly, 592 feet more or less along the South right-of-way line of Franklin Street and its Westerly extension to the West right-of-way line of Lilas Drive; thence Southerly, 216 feet more or less along said West right-of-way line to the North line of Lands described in Document No. 1703693; thence Westerly, 225.0 feet more or less along the North line of said Lands to the Northwest corner thereof; thence Southerly, 80.0 feet more or less along the West line of said Lands to the Southwest corner thereof; thence Easterly, 225.0 feet more or less along the South line of said Lands to the West right-of-way line of Lilas Drive; thence Southerly, 220.0 feet more or less along said West right-of-way line to the North right-of-way line of the North Frontage Road to West College Avenue; thence Westerly, 1251 feet along said North right-of-way line to the East right-of-way line of Bluemound Drive; thence Northerly, 516 feet more or less along said East right-of-way line to the Point of Beginning.

The above description shall be used for assessment purposes only.

TOWN OF GRAND CHUTE
RESOLUTION 11, SERIES OF 2016

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TOWN OF GRAND CHUTE, OUTAGAMIE COUNTY, WISCONSIN, AMENDING DESIGNATION OF PUBLIC DEPOSITORIES.

WHEREAS, the Town of Grand Chute makes prime deposits, demand deposits or savings deposits, from time to time; and,

WHEREAS, the Town Treasurer, recommends **adding Anchor Bank, Bank First National, East WI Savings Bank, Fidelity National Bank, First Business Bank, Hometown Bank, and North Shore Bank and removing Citizens Community Federal and Wells Fargo.**

NOW THEREFORE, BE IT RESOLVED, by the Town Board of the Town of Grand Chute that said municipality, through its Treasurer, is authorized to deposit, invest and transfer Town of Grand Chute revenues in authorized depositories in the name of the Town of Grand Chute.

BE IT FURTHER RESOLVED, by the Town Board of the Town of Grand Chute, that the following financial institutions be added and hereby designated as public depositories in which funds/revenues of the municipality may from time to time be deposited as prime deposits, demand deposits or savings deposits.
