

The instruction is comprehensive, covering a different area of law enforcement and firefighting each week.

Officers, supervisors, firefighters, Chiefs, and other personnel assigned to a particular area will conduct each instructional block.

Our goal is to share this information with participants so you can inform others about activities and functions of the Police and Fire Departments in the Town of Grand Chute!

We want you to get to know us and get your questions answered!

“In learning you will teach, and in teaching you will learn.”

Town of Grand Chute Citizen's Safety Academy

October 05 - October 26, 2016

A program of the Town of
Grand Chute Police and Fire
Department

Introduction

The Town of Grand Chute Police and Fire Departments have joined together to offer the first annual **Citizen's Safety Academy** to begin in spring.

The class meets each Wednesday from 6:00p.m. to 9:00p.m. Classes will be held at the Grand Chute Police Department or the Grand Chute Fire Department.

About The Academy

The Citizen's Safety Academy provides a glimpse of law enforcement and the life of a firefighter through tours, presentations and many interactive activities. The academy was created to provide a working knowledge of the policies, procedures and practices of the Grand Chute Police and Fire Departments.

Applying

The Academy is free of charge and open to all citizens who are at least 17 years of age. Background checks will be completed prior to being accepted into the academy.

We are enrolling up to 20 people on a first come, first serve basis.

If we do not have room for all interested participants, you will be put on a list for next year's academy.
