FIRE PREVENTION DIVISION

GCFD Seeks Community Input

The Grand Chute Fire Department is seeking input from the community as we embark on a strategic planning process to ensure our organizational values, mission, and vision remain consistent with the priorities of those we serve, enabling us to exceed expectations

Center for
Public Safety
Excellence

as we continuously strive for excellence in the delivery of emergency services. The results obtained from a seven question

survey which has been randomly distributed to residents and businesses in our jurisdiction will help guide us in the development of this required organizational plan as we pursue Agency Accreditation through the Center for Public Safety Excellence.

TRAINING DIVISION

Car Seat Techs Renew Certifications

In February, Engineers Pavasaris and Siegmann and Firefighters Jape and Lazcano completed the requirements to renew their Child Safety Seat Installation Technician Certifications. This marks the two year anniversary of our partnership with SafeKids Wisconsin. Through this collaboration, Grand Chute Firefighters work alongside representatives from SafeKids as we host monthly car seat installation and fitting stations, as well as an annual safety seat recycling event at Fire Station One.
