

GIS/Utility Technician

Town of Grand Chute, Wisconsin

The Town of Grand Chute is accepting applications for the position of GIS/Utility Technician. This position performs skilled technical work in the operation, maintenance and support of the Town's Geographic Information System and in the implementation and maintenance of a stormwater Best Management Practices tracking program.

Qualified candidates must have experience using a variety of GIS and AutoDesk software, including ESRI, AutoCAD Civil 3D, ArcGIS Server, ArcMap, ArcPro, ArcGIS Online, Collector, Survey123 and Microsoft Office products. Database experience with Microsoft SQL Server, Enterprise Geodatabases and Access preferred, along with surveying and data collection experience utilizing Trimble and Pathfinder Office.

Requirements include a Bachelor's Degree in GIS, Civil Engineering, Geography or a related field, and two to three years of experience operating and maintaining GIS systems and database applications; or an equivalent combination of education and experience. Starting wage is \$24.24/ hour plus excellent fringe benefits.

Grand Chute is a growing, vibrant community of 22,700 residents, and has a tax base of more than \$2.4 billion. In addition to steady growth in residential development, Grand Chute is recognized as the commercial and retail center of Wisconsin's Fox Cities region.

To apply, submit a cover letter, Grand Chute employment application, and resume to: Mary Baxter, PHR, 1900 W. Grand Chute Blvd., Grand Chute, WI 54913. A detailed job description and employment application are both available at the Town's website, www.grandchute.net, or at Town Hall. Applications must be received (not postmarked) no later than 4:00 p.m. on Friday, June 28, 2019. The Town of Grand Chute is an Equal Opportunity Employer.
