

# TOWN OF GRAND CHUTE

## AUTOMATED REFUSE/RECYCLING SERVICE

### How do I start my refuse/recycling pick-up service?

Refuse and recycling collection service is provided to all residential properties within the Town of Grand Chute. The cost of this service is charged annually on your property tax bill. The cost of the collection services are not prorated for new construction. The annual fee will be charged at the time that the carts are requested. The refuse/recycling carts will be delivered upon payment of the fee and completion of the dwelling. Construction debris is prohibited from residential collection service.

## How does it work?

All single-family, 2, 3 and 4-family households are required to participate in the automated collection program. Properties are issued a refuse and a recycling cart that must be used for your weekly trash pickup and bi-weekly recycling pickup. Automated collection trucks are equipped with specially designed arms that grasp, lift and empty the Town-issued refuse or recycling carts. Trash or recyclables outside of the automated container will not be collected.

### Participation in Automated Refuse/Recycling Collection is Mandatory and Easy As 1—2—3

**1** Fill your automated container with only household trash or recyclables. Please bag your trash before placing in the container to reduce litter, keep container clean and prevent spilling. Recyclables do not need to be sorted and should not be bagged within the cart.

**2** Close lid, grasp container handles firmly with both hands and wheel the cart to the curb or point of collection on your collection day. Your carts may not be collected if placed out after 6 a.m. on your collection day.

**3** Set your automated cart at the curbside or point of collection, wheels and handle facing your home and at least 5 feet from any other containers, parked cars, mailboxes, or any other structures so that the automated collection truck can pick up your containers.

### NEW CONSTRUCTION REFUSE/RECYCLING CART REQUEST FORM

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

**2012 Annual Fee \$110.80**

There are two sizes of carts that are available for new customers – 96 gallon and 64 gallon. The recommended sizes are a 96 gallon for recycling and a 64 gallon for refuse. New customers are given a one-time choice on cart sizes. After your initial cart delivery, there is a \$100 fee to change the size of any cart. See the Town web site for more information – [www.grandchute.net](http://www.grandchute.net).

Please indicate your desired size for your refuse cart and recycling cart

<u>Refuse</u>		<u>Recycling</u>	
96 gallon	<input type="radio"/>	96 gallon	<input type="radio"/>
64 gallon	<input type="radio"/>	64 gallon	<input type="radio"/>

**Return this form and fee to the  
Town Hall to request cart  
delivery.**
